Your plans monthly inclusive allowance is priced basis the unit pricing shown. Consumption beyond the monthly inclusive allowance is metered and charged at the prevailing Domestic or International Overage Rates. "SMS" is as a single text message containing up to 160 characters, a multi-part message consumes multiple SMS credits. "Call" is as a single call to a customer i.e. for the purposes of notifying them you're ready to serve them. Unused SMS or Calls do not rollover from one month to the next. These prices apply to UK based locations only and exclude VAT. Advertised pricing is subject to change at any time and without notice. The heavy volume pricing model set out here is subject to an annual minimum spend on subscription fees of £500, this obligation does not commence until your fourth month of service thereby allowing time for thorough evaluation of the software platform.
